Timeless Wisdom.  
Ageless Beauty.  
The harmony of Mind, Body and Spirit.

Revitalizing a 5,000-year-old wisdom based on  
plants, flowers and natural resources. As  
authentic as the earth that gives it to us.

Our products are pure, true ayurvedic  
remedies for ageless grace without artifice.

## About Sanjeevika

Under the visionary guidance of His Holiness Ashutosh Maharaj Ji, the foundation of Shri Ashutosh Maharaj Ayurvedic Pharmacy was laid down in the year 2008 at Nurmahal, Dist. Jalandhar, Punjab with the object to develop healthy life style for the society and to cure routine & chronic disease of common man from its roots.

The products are being manufactured under the brand SANJEEVIKA meaning lifesaver and to justify its literal meaning we are focused to produce only pure and quality medicines. Further the pharmacy's make sure to provide quality medicinal and herbal products at affordable price to the consumer, thus maintaining profitability for humanity.

## Approach

A positive frame of mind is developed by overall positive energy thus Bhram Gyan - meditation practise has helped the working staff to connect itself better with the responsibilities and understand the need of making best use of available resources for delivering qualitative output.

# Products

The principles of Good manufacturing practice are strictly adhered at Shri Ashutosh Maharaj Ayurvedic pharmacy. Various inspections & tests conducted by our experts enables to produce various preparation with uniform levels of consistency benefiting the consumers of getting qualitative products.
