ABOUT US

Founded in 2011, MB Infrabuild Private Limited has grown to become a key player in the real estate industry. Having years of experience in real estate development and management experience, MB Infrabuild Private Limited boasts a unique track record of customer-centric service excellence in India.

Having constructed various prestigious projects in New Delhi, the group has evolved into one of the fastest-growing real estate development companies in India. To expand its footprints to other parts of India, MB Infrabuild Private Limited is building Beverly Golf Avenue in Chandigarh. The lavish residential project is designed by none other than Hafeez Contractor, a Padma Bhushan awardee. We aspire to provide premium apartments with world-class amenities for a luxury lifestyle.

MB Infrabuild Private Limited focuses to create exceptional residential and commercial projects of the highest caliber. We believe in adopting spearheading innovation to build great infrastructure, enrich lives, and contribute to the nation. Holding the highest level of uprightness enables us to foster robust relationships with our customers and investors. With a dedication to excellence, MB Infrabuild Private Limited is here to make a positive impact in the world.
