# what is ayurveda

Ayurveda is a science laid down by the great Indian Rishis. The science of Ayurveda is based not on constantly changing research data but on the eternal wisdom of our Rishis and Gurus. Ayurveda offers guidance that has been tested, refined and nourished over many centuries to all those who seek greater harmony, peace and longevity.

## shri ashutosh maharaj ayurvedic pharmacy

Under the visionary guidance of His Holiness Ashutosh Maharaj Ji, the foundation of Shri Ashutosh Maharaj Ayurvedic Pharmacy was laid down in the year 2008 at Nurmahal, Dist. Jalandhar, Punjab with the object to develop healthy life style for the society and to cure routine & chronic disease of common man from its roots.

**“ To heal the world,  
heal the humans and  
to heal the humans is**

**to heal the mind.**

His Holiness, Shri Ashutosh Maharaj Ji

The products are being manufactured under the brand **SANJEEVIKA** meaning lifesaver and to justify its literal meaning we are focused to produce only pure and quality medicines. Further the pharmacy's make sure to provide quality medicinal and herbal products at affordable price to the consumer, thus maintaining profitability for humanity.

With manufacturing unit located at Nurmahal Punjab, manufactures Ayurvedic medicines & OTC herbal products. These products is being manufactured using qualitative raw materials. The wide range includes medicines for Anti allergic, Cardio care, derma, diabetic, liver, gastritis, women's health & more in form of capsules, tablets, vati, churna, bhasma, avleh & syrups.

# mission

- To spread the miraculous healing power of Ayurveda for the betterment of society.
- To innovate in integrating contemporary know-how with traditional wisdom for better outcomes.
- To promote life of harmony with nature and taking Ayurveda to every home.
- To impart the real ayurvedic and Panchkarma treatments using unadulterated traditional methodologies.

# visión
