NIGER

State-of-the-art Instruments

for Weighing Applications

About Company

Primarily a Laboratory and Process Equipment Associated Partners with brands like OHAUS (USA), SHIMADZU (Japan), Brookfield (USA) Lovibond (UK), Erlab (France) who have most technologically advanced features that offer unmatched features, NIGER aims to set up a strong National Presence by venturing into Industrial and Process Weighing Automation manufacturing. Our key customers are Pharmaceutical, Food & Beverages, Chemical, Textile industries and also numerous Research, Educational Institutes and Calibration and Testing Laboratories.

NIGER

Mission

Act catalyst in Weighing world by building the best application and integration at Revolutionary prices.

Revolutionizing the weighing world by building "The Best Application & Integration" at radically fair prices.

Vision

Establish strong brand recognition by creating most innovative customer experiences.

Value

Innovation, Improvement, Integrity

NIGER

Qualification and Documentation
Consultative Sales Approach
Unique Features
Meeting Most Demanding Customers Challenge
USP
Audit Proof Installation
Proactive Services
Revolutionary Prices
Solving Customers Pain Points

GLP

NIGER

GLP printers are password protected printers which help to manage “DATA INTEGRITY” (Date and Time of calibration verification)

GLP printers can also get integrate with old balances .

Niger have technical advantage of installation and servicing

Anti Vibration Table

DLM Mounts for Levelling and Vibration Control

These are for Critical Areas where Reading Accuracy of Instruments those are affected by vibration

Upto 5 layered DP Insulation Sheet

Two level of Vibration Isolation

Laboratory & Industrial Weights

Laboratory

Industrial

These are used for External Calibration

Water Analysis meter

Benchtop

Pentype

Portable Meters

Water Testing

Lab & Portable Instruments

Process Turbidity Meters

Incubator & Reactors

Test Kit

Reagent and Standards

Color Measurement

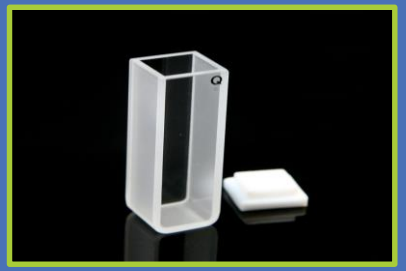
Visual Measurement

Automatic Transmission Measurement

Automatic Reflectance Measurement

Calorimeter

Lighting Cabinets



Cuvettes / Cells

Standards

Viscometer

NIGER

Accessories

- Load Cells
- Weighing Indicators
- Process Terminals
- Paper Roll
- Cartridges
- Aluminium Pans
- Weighing Boats
- Anti Vibration Pads
- Anti Vibration Slabs
- Glass Draft Shield
- Printer Mechanism
- Power Adaptors
- Loose Calibration Weights
- Micro & Digital Spatula
- Weighing Tray
- Animal Weighing Bowl
- Communication Cable
- Anti Theft Lock
- Weighing Data Logger
- Steel Weight Trolley
- Density Determination Kit
- Temperature Kit
- Ionizer
- Others
